### Small Law Firm

**Overview:**

The distributor was referred to this small law firm by an employee of the County Clerk of Courts (a current customer). The small 3 partner firm was not color coding their client files and they were storing them inside a closet with built in wooden shelves. In anticipation of growth for the firm, one of the partners asked where the court system purchased their records.

**Result:**

The distributor recommended end tab folders, open shelving and NetLabels. The partner particularly liked NetLabels, because it was easy to use, and did not require a messy inventory of rolled labels.

**Label Design Information:**

The label design pictured is style # 3877. The label includes the year code, type of case; criminal divorce etc, the client's name, Matter/File number and the Attorney code.

*The label style used was 3877#. You can view or print a sample of this label by going to [www.netlabels.com](http://www.netlabels.com) . Now, click on the "print labels" box. Enter "guest" under username and password. Lastly, just scroll down the label styles until style # appears and click on it.*
